Indoor Range

Gallery rimfire and center fire pistol shoots will be held on Monday from 7:00-9:00pm till the end of March. Thanks Gary Woodruff for running this event.

Mark your Calendar for **MARCH 19th, Annual Swap Meet** from 9:00 am to 11:59 am.

The new key cards give us who's entering our Indoor range. If you find damage that has been done before you, please report it to Eric Hisey, Vice President Indoor Range (937) 336-7113.

Outdoor Range Hours Reminder

The Outdoor range's 300 yd practice is from noon to dark. All shooting must stop when it is dark!
Any member caught abusing the range hours will be subject to disciplinary action!

Any and all Members should have their membership cards with them. Nobody should be upset to present their card to anyone else asking for it. Introduce yourself and ask to see their membership card if you don't recognize the person. If there should be any unsafe conditions, you will have their name. If you don't get their name or their license plate number, it is hard for the board to address those concerns.

President's Corner

Once again it is time to stay warm and recollect the past holiday season. I hope you are all well and happy. Indoor range improvements are progressing, although slowly. Covid still has some of us in it's grasp. Please stay healthy, be considerate of your fellow members. Please pick up your trash and keep our ranges in good shape. Be safe, and stay warm.

Jon
