#### Outdoor Range

A lot of Improvements, Thanks to Jim Burleson and his crew.

#### President's Corner

We have a new front sidewalk at the indoor range and painting has been under way. Huge improvements for our indoor facility, Thanks James DeCamp for all the effort on these projects! There are new projects under way at our outdoor range and Jim Burleson has been awesome in making these happen! On the same note there has been some damage taking place at both facilities and we are working hard to find out who is doing this and get it stopped! Remember to watch your aim and be sure of what is down range behind your target. Also the "movable" pistol frames at the outdoor are NOT to be moved from in front of the berm and placed anywhere else on the range. Up to-date board member contact list is now posted at both facilities.

Thanks,  
Eric Hisey
