President's Corner

Another fall annual meeting has passed and I'm pleased to be your president for another year. Please welcome our newest board member Egon Kraan. He will be our new correspondence secretary as of October 7th. It's been a crazy summer for sure with loads of rain making a late start for most programs and unbearable heat for a lengthy spell. Despite the weather the summer shooting programs were of great success although with lower numbers in attendance. Our winter shooting programs will be starting in December with smallbore rifle and gallery pistol starting in January. Please remember that safety is a priority for the club and please be considerate of other shooters. Also remember to clean up your old targets and trash at both facilities. The new lock on the gate will be in place October 15th. If you did not come to the meeting and get your key some are being mailed or you need to contact Jim or another board member to make arrangements to get a key. New keys may also be obtained at any monthly board meeting. - Eric Hisey President OTRPC

Jr Rifle Club Program

Jr Club will start on Saturday January 3, and will be on full day on Saturday and Wednesday evenings thru February 4. Please contact Marty Dees (765) 914-0771 for more information or to preregister.

Membership

As of September 30, there are 293 total members, same as the previous report. Of these total members. 91 have indoor range access, a decrease of 8 from the previous report.

A new lock on the outdoor range has been placed as of October 15. We are not mailing out keys this year to keep the cost down. Please contact Jim Burleson or come by a board meeting to pick up your key. Please submit \$4 to cover the cost of mailing the key if you must have the key mailed.

Volunteers

We are looking for volunteers to help run some matches. If interested, please reach out to a board member.
